Ms. Kramer - further to my earlier email, attached is a revised joint stipulation to stay the case, which incorporates certain language Judge Moskowitz included in his orders stating the Giant International and Helen of Troy cases. Please let me know if this proposal is acceptable to Sorensen. thanks.

**JOINT MOTION AND STIPULATION  
 FOR STAY**

1 WHEREAS, the above-captioned action is one of a number of actions instituted in this and  
2 other courts by Plaintiff Jens Erik Sorensen, as Trustee of Sorensen Research and Development  
3 Trust ("Sorensen"), for alleged infringement of United States Letters Patent No. 4,935,184 (the  
4 "'184 Patent"), and;

5  
6 WHEREAS the '184 Patent is currently the subject of reexamination proceedings (the  
7 "Reexamination") in the United States Patent and Trademark Office, and;

8  
9 WHEREAS, by Order dated September 10, 2007, (the "Order") this Court has already  
10 stayed pending resolution of the Reexamination the action entitled Sorensen v. Black & Decker

12 infringement of the '184 Patent; and

13  
14 WHEREAS, for the same reasons enunciated by the Court in the Order, Sorensen and  
15 defendant Motorola, Inc. ("Motorola") wish to conserve the resources of the parties and the Court

17  
18 NOW, THEREFORE, Sorensen and Motorola, by and through their respective counsel,  
19 hereby stipulate to and jointly move the Court as follows:

- 20 1. The above-captioned case is hereby stayed until the earlier of:
- 21 a. The final resolution of the Reexamination, or

**Subject:** RE: Sorensen v. Motorola

Dear Mr. Lobenfeld:

Based on recent developments, we would like to postpone finalizing any stipulation for stay for another 30 days. Based upon comments by Judge Moskowitz (see transcript attached), the recent orders for stay in the Sorensen v. Helen of Troy, and Sorensen v. Giant cases, and additional evidence reflected, in part, in our opposition to stay in the Sorensen v. Energizer case (see attached), the nature and scope of any stay of this matter is in question. Therefore, it would be prudent to wait for Judge Moskowitz' ruling on the Energizer request for stay before we agree on a stipulation.

Plaintiff is therefore willing to extend Motorola's deadline for filing a responsive pleading until April 10th. Please confirm whether Motorola is amenable to this extension.

Sincerely,

Melody A. Kramer

Melody - when we last discussed the possibility of Sorensen stipulating to a stay in this case, you indicated that something may occur in one or more of the other cases that could influence your decision. Thus, we stipulated to extend Motorola's time to respond to the complaint by 30 days. I understand that Judge Moskowitz has now entered stays in 2 more cases, including the Energizer case in which you had submitted some statistics which you thought could lead the Court not to stay that case.

Given the 2 recent stays, I frankly see no basis for Sorensen not to stipulate to a stay in the form annexed hereto. Please let me know your position.

Thanks.

Based upon the information in our possession, we do not believe that a stay of this case is appropriate. I understand your position, but don't agree with it.

I recommend that we proceed to resolve this matter between our respective clients, rather than postponing dealing with the issues at hand.

I look forward to hearing from you further.

Eric - Judge Moskowitz has indicated that a stay of 2 years is "long enough" and that an estimated 5 years would be too long. One of the '184 reexaminations is over 8 months old and no office action has yet issued. The second reexamination is three months old and will likely be merged with, thus slowing down, the first reexamination. Furthermore, if you do some research regarding the average pendency of reexamination proceedings, you will find that they extend much longer than two years.

If you believe that the reexaminations will be completed by July 2009, please advise me of the basis for that belief.
